Luoyang Yiyi Network Technology Group Co., Ltd.

COMPANY PROFILE

Founded in 2009, Shiteng Technology Group is headquartered in Ningbo, Zhejiang. It has more than 4,000 cooperative manufacturing enterprises and has served nearly 200,000 corporate customers in total. It has more than 70 companies in 20 provinces in China and currently has more than 1,000 employees. The group's sales have exceeded 2 billion for three consecutive years.

Since August 2023, Yiyi Group has been responsible for the export of complete vehicles and the integration of automobile resources. It has also achieved outstanding results in the supply and maintenance of automobile parts. In the future, the group will deepen its overseas market and gradually design showrooms, overseas warehouses, and repair and after-sales service points in the Belt and Road countries, so as to truly serve the world step by step and provide buyers with a full chain of services from complete vehicles to accessories.
