Профиль компании

Company Profile

Yiyi Group отвечает за экспорт комплектных автомобилей и интеграцию автомобильных ресурсов с августа 2023 года, а также добилась выдающихся результатов в поставках и обслуживании автозапчастей. В будущем группа будет глубоко изучать зарубежные рынки, и постепенно разрабатывать проекты в странах «Пояса и пути». Выставочные залы, зарубежные склады, а также точки технического и послепродажного обслуживания действительно постепенно обслуживают мир, предоставляя покупателям все, от комплектных автомобилей до аксессуаров и комплексных услуг.

Since August 2023, Yiyi Group has been responsible for the export of complete vehicles and the integration of automobile resources. It has also achieved outstanding results in the supply and maintenance of automobile parts. In the future, the group will deepen its overseas market and gradually design showrooms, overseas warehouses, and repair and after-sales service points in the Belt and Road countries, so as to truly serve the world step by step and provide buyers with a full chain of services from complete vehicles to accessories.
